

FRIENDSHARE™ DETAILS, TERMS AND CONDITIONS

This program is offered to persons subsequent to their purchase of RTU Interests in Marriott Vacation Club Destinations, Bali Nusa Dua Gardens Timeshare Plan and is not made as an inducement in connection with the solicitation of a sale.

1. DEFINITION OF TERMS

The following definitions of terms will help you understand how the FriendShare program works:

“Referral” is an individual (or a couple) who meets the qualifications for the offer and is preregistered with you as the referring Member prior to the Referral attending a sales presentation or purchasing RTU Interests. To preregister you as the referring Member, you or your Referral must provide your Referral’s name, an accurate means of contacting your Referral and your name as the referring Member prior to your Referral attending a sales presentation or purchasing RTU Interests. If after two years following the registration of the Referral there is no activity (i.e., purchased timeshare, scheduled or attended a sales presentation or is actively in the sales process with a Marriott Vacation Club® (“MVC”) representative), the Referral will be unassigned from the Member, and the Referral will no longer be considered a referral of that Member in the FriendShare program.

“Member” is an individual or entity who purchased and closed on RTU Interests and who is in good standing with no delinquencies in payment of annual maintenance fees. If RTU Interests are owned by more than one Member, all Members named in the manager’s registry for Marriott Vacation Club Destinations, Bali Nusa Dua Gardens for that membership will be considered one Member for purposes of determining Tier Level (defined below). Members with multiple customer records in the MVC central customer file should designate one customer record to submit all referrals and use when purchasing additional RTU Interests.

“RTU Interests” means the Rights to Use Interests in Marriott Vacation Club Destinations, Bali Nusa Dua Gardens. Each RTU Interests is allocated 250 Points.

2. ELIGIBILITY

The terms and conditions of the FriendShare program may vary by country and state. Your residence, as reflected in the MVC central customer file, will determine your eligibility as well as the terms and conditions under which you may participate in the FriendShare program, including limitations on potential awards. The FriendShare program is void where prohibited by law. Residency of any referral provided will determine whether RTU Interests may be solicited or sold to such referral. In order for a Member to be eligible to earn benefits through the FriendShare program, the Referrals need to meet the qualifications of the offer and be pre-registered in the program prior to attending a sales presentation.

Employees of Marriott Vacations Worldwide Corporation, and their affiliates and subsidiaries (these corporate entities and their service providers collectively “MVCI”) are ineligible to receive Marriott Bonvoy® Points and maintenance fee (also referred to as Annual Dues) credits through the FriendShare program.

Member must obtain the Referral’s consent for MVCI to contact the Referral for the purpose of soliciting applications for membership in the Timeshare Plan. By providing the Referral’s name and contact information, Member warrants that the Member has obtained such consent from the Referral for the collection, use and disclosure by MVWC, of the Referral’s information, for such purpose. Members shall keep records of such consent from each Referral and shall provide such records to MVWC upon reasonable request. The FriendShare offer cannot be used in conjunction with any other MVCI offer and is non-transferrable.

Duplication of Referrals:

In the event of a duplication of a Referral, the Member who first registered the Referral with MVC will have precedence and will receive any Marriott Bonvoy Points or maintenance fee credit awarded as a result of the Referral engaging in subsequent qualifying activity for up to two years after the date the Referral was registered with the FriendShare program. If after two years from the date of registration of the Referral there is no activity (i.e., purchased timeshare, scheduled or attended a sales presentation or is actively in the sales process with a MVC representative), the Referral will be unassigned from the Member and the referral of the Member will no longer be considered a Referral in the FriendShare program.

Exclusions:

Referrals who purchase RTU Interests from any individual or entity (other than Marriott Vacation Club International or its affiliates) or through a sale not brokered by Marriott Vacation Club International or an affiliate, shall not entitle a Member to earn Marriott Bonvoy Points or maintenance fee credits through the FriendShare program.

That includes, but is not limited to, increasing levels or number of Marriott Bonvoy Points required for a reward, changing rewards, adding unlimited blackout dates, limiting rooms available at any Marriott hotel or resort, Marriott travel partners, or changing or canceling our travel partner rewards. In the event that you own a timeshare interest in more than one MVC timeshare plan and your Referral purchases, the credit will be applied first to your maintenance fee obligation(s) at the plan in which the Referral purchases (and which may be subject to different Terms & Conditions). In the event you do not own a timeshare interest in the MVC plan in which your Referral purchases, the maintenance fee credit then will be applied to your highest unpaid maintenance fee obligation. The credit will be applied to your next due and outstanding maintenance fee obligation based on the date your Referral closes on their purchase.

The awarding of maintenance fee credits may subject you to tax liability and/or other charges that will be your sole responsibility. All taxes on the credits received from the FriendShare program or any other similar program offered by MVCI and any and all applicable fees imposed by entities other than MVCI or its subsidiaries will be the obligation of the Member.

In the event accumulated maintenance fee credits acquired during a calendar year reach 100% of your next due and outstanding maintenance fee obligation, the remaining balance of your maintenance fee credits will be applied to the following year's maintenance fee obligation, or for Members with multiple memberships the remaining balance of your maintenance fee credit will be applied to your next oldest unpaid maintenance fee obligation.

Maintenance fee credits are nontransferable and cannot be redeemed for cash. In the event that you transfer your RTU Interests and are no longer responsible for any future maintenance fees, any unapplied maintenance fee credits accumulated will be forfeited immediately.

Maintenance fee credits cannot be applied to past-due or delinquent maintenance fee obligations.

The maintenance fee credit does not apply to any special assessments that may be levied by the local jurisdiction or the Plan Manager and/or billed separately.

5. ADDITIONAL REGULATIONS

Your use of marketing channels, including but not limited to print media or online advertising, to attract individuals for referral shall be considered an abuse of the FriendShare program and may result in termination or forfeiture of any accrued FriendShare benefits and/or other penalties. Referrals obtained through submittal of membership lists, telephone directories or other similar sources will not be accepted. MVC reserves the right to accept or reject referrals, and to change the details, terms and conditions of the FriendShare program, at any time, in its sole discretion. MVC also reserves the right to deny any Member the ability to participate in the FriendShare program. The FriendShare program is void where prohibited by law.

By participating in this program, you acknowledge and consent that MVCI may from time to time disclose to your Referral that you provided your Referral's contact information. This is not an offer to sell or a solicitation to purchase anything. You should not undertake any representation of MVC's vacation ownership program whatsoever. You are not authorized to offer, advertise, promote, present, sell or negotiate the sale of Points or MVC's vacation ownership program, on behalf of MVCI or any other person.
